

## International Conferences and Exhibitions (2009-2010)

| Events                                                                                                                           | Date and Location                                                                             | Contact                                                                                                                                                                                                                                                                                                 |
|----------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 7th International Symposium on Non-Destructive Testing in Civil Engineering, NDTCE'09                                            | June 30-July 3, 2009<br>Nantes, France                                                        | Contact : E-mail : <a href="mailto:ndtce2009@lcpc.fr">ndtce2009@lcpc.fr</a> ;<br>Web : <a href="http://heberge.lcpc.fr/ndtce09/">http://heberge.lcpc.fr/ndtce09/</a>                                                                                                                                    |
| Malaysia International NDT Conference and Exhibition '09 (MINDTCE '09)                                                           | July 20-21, 2009<br>Kuala Lumpur, Malaysia                                                    | Contact : Dr Abd Nassir Ibrahim, TEL : 019-3514212,<br>E-mail: <a href="mailto:nassir@nuclearmalaysia.gov.my">nassir@nuclearmalaysia.gov.my</a> or Mr Mohd Najib Ahmad,<br>TEL : 019-984462 ; E-mail : <a href="mailto:najibah@petronas.com.my">najibah@petronas.com.my</a>                             |
| NIMS Week 2009<br>Nanobio-materials and technologies for breakthrough in future medicine                                         | July 21-24, 2009<br>Tsukuba International Congress Center (Epochal Tsukuba), Tsukuba, Japan   | Contact : Dr. Mitsuharu Shiwa, NIMS, FAX : +81 (0)29-859-2501;<br>E-mail : <a href="mailto:SHIWA.Mitsuharu@nims.go.jp">SHIWA.Mitsuharu@nims.go.jp</a> ;<br>Web : <a href="http://www.nims.go.jp/nimsweek/09/">http://www.nims.go.jp/nimsweek/09/</a>                                                    |
| 36th Annual Review of Progress in Quantitative Nondestructive Evaluation (QNDE)                                                  | July 27-31, 2009<br>University of Rhode Island – Kingston, Rhode Island, U.S.A.               | Contact : <a href="http://www.cnde.iastate.edu/qnde/qnde.html">http://www.cnde.iastate.edu/qnde/qnde.html</a>                                                                                                                                                                                           |
| NDT in Canada 2009 National Conference and the 6th International Workshop for Advances in Signal Processing for NDE of Materials | August 25-27, 2009<br>Spencer Ivey Leadership Center, London, Ontario, Canada                 | Contact : CINDE,<br>TEL : +1-905-387-1655 ext.238<br><a href="http://events.cinde.ca/">http://events.cinde.ca/</a> ;<br>E-mail : <a href="mailto:events@cinde.ca">events@cinde.ca</a>                                                                                                                   |
| 9th International Conference & Exhibition on Operating Pressure Equipment                                                        | August 26-28, 2009<br>Holiday Inn, Surfers Paradise, Queensland, Australia                    | Contact : Materials Australia,<br>TEL : +61 3 9326 7266 ; FAX : +61 2 9326 7272 ;<br>E-mail : <a href="mailto:events@materialsaustralia.com.au">events@materialsaustralia.com.au</a> ;<br>Web : <a href="http://www.materialsaustralia.com/OPE09">www.materialsaustralia.com/OPE09</a>                  |
| 10th International Conference of the Slovenian Society for Non-Destructive Testing                                               | September 1-3, 2009<br>Ljubljana, Slovenia                                                    | Contact : The Slovenian Society for Non-Destructive Testing,<br>TEL : +386 1 4771 203 ; FAX : +386 1 4771 225 ;<br>E-mail : <a href="mailto:ndt-ljubljana@fs.uni-li.si">ndt-ljubljana@fs.uni-li.si</a>                                                                                                  |
| 8th International Conference on Fracture and Damage Mechanics (FDM 2009)                                                         | September 8-10, 2009<br>CORINTHIA Hotel, St. George's Bay, Malta                              | Contact : Prof. Ferri M.H.Aliabadi, Conference Chairmen<br>Head of Aerostructures, Department of Aeronautics, Imperial College, London, South Kensington Campus, London SW7 2AZ;<br>E-mail : <a href="mailto:m.h.aliabadi@imperial.ac.uk">m.h.aliabadi@imperial.ac.uk</a>                               |
| 3rd Quality Testing International Exhibition 2009                                                                                | September 14-19, 2009<br>Essen, Germany                                                       | Contact : Messe Essen GmbH ;<br>TEL : +49 (0)2 01 72 44 0 ; FAX : +49 (0)2 01 72 44 448 ;<br>E-mail : <a href="mailto:info@messe-essen.de">info@messe-essen.de</a> ;<br>Web : <a href="http://www.messe-essen.de">http://www.messe-essen.de</a>                                                         |
| 5th International Workshop : NDT in Progress                                                                                     | October 12-14, 2009<br>Floret Hotel and Congress Centre, Prague, Czech Republic               | Contact : Dr. Pavel Mazal, CNDT – NDT in P, Brno University of Technology,<br>TEL : +420 541 143 229 ; FAX : +420 541 143 231 ;<br>E-mail : <a href="mailto:cnadt@cnadt.cz">cnadt@cnadt.cz</a> ; Web : <a href="http://www.cndt.cz">www.cndt.cz</a>                                                     |
| ASNT Fall Conference and Quality Testing Show                                                                                    | October 19-23, 2009<br>Columbus Convention Center, Columbus, Ohio USA                         | Contact : ASNT                                                                                                                                                                                                                                                                                          |
| The 13th Asia-Pacific Conference on Non-Destructive Testing (APCNDT 2009)                                                        | November 8-13, 2009<br>PACIFICO Yokohama, Yokohama, Japan                                     | Contact : Academic Affairs Section, The Japanese Society for Non-Destructive Inspection ; MBR 99 4th FL., 67 Kanda-sakumagashi, Chiyoda-ku, Tokyo 101-0026, Japan, TEL : 03-5821-5105, FAX : 03-3863-6524 ; <a href="http://www.apcndt2009.com">http://www.apcndt2009.com</a>                           |
| The 30th Symposium on Ultrasonic Electronics(USE2009) in Kyoto, Japan, on 18-20 November 2009 (Abstract : July 31, 2009)         | November 18-20, 2009<br>Doshisha University Imadegawa Campus, Kyoto, Japan                    | Contact : Kentaroh Nakamura, Assoc. Prof, Precision and Intelligence Laboratory, Tokyo Institute of Technology,<br>FAX : +81 45-924-5091 ; E-mail : <a href="mailto:knakamur@sonic.pi.titech.ac.jp">knakamur@sonic.pi.titech.ac.jp</a> ;<br><a href="http://www.use-jp.org/">http://www.use-jp.org/</a> |
| 14th China International Exhibition on Quality Control and Testing Equipment                                                     | November 26-28, 2009<br>Shanghai Everbright Convention and Exhibition Centre, Shanghai, China | Contact : Goodwill Exhibition & Promotion Ltd,<br>TEL : +852 2893-1388 ; FAX : +852 2838-1388/+852 2834-3137 ;<br>Email : <a href="mailto:goodwill@goodwill-exh.com.hk">goodwill@goodwill-exh.com.hk</a> ;<br>Web : <a href="http://www.mat-test.com">www.mat-test.com</a>                              |
| The third Global Conference on Power Control and Optimization (PCO 2010)                                                         | February 2-4, 2010<br>Marriott hotel, Gold Coast, Australia                                   | Contact : Conference secretariat:<br>TEL : 605 3711416, 6085 443821 ; E-mail : <a href="mailto:icpc0.20@gmail.com">icpc0.20@gmail.com</a><br>Website1 : <a href="http://www.engedu2.net">http://www.engedu2.net</a><br>Website2 : <a href="http://www.pcoglobal.com">http://www.pcoglobal.com</a>       |
| Spring Research Symposium and Conference                                                                                         | March 22-26, 2010<br>Williamsburg Marriott, Williamsburg, Virginia, USA                       | Contact : ASNT                                                                                                                                                                                                                                                                                          |
| The Fourth Japan-US Symposium on Emerging NDE Capabilities for a Safer World (Abstract, October 9, 2009)                         | June 7-11, 2010<br>Maui Prince Hotel, Hawaii, U.S.A.                                          | Contact : JSNDI,<br>TEL : 03-5821-5105 ; FAX : 03-3863-6524 ;<br>E-mail : <a href="mailto:japan_us@jsndi.or.jp">japan_us@jsndi.or.jp</a> ;<br><a href="http://wwwsoc.nii.ac.jp/jsndi/english_pages_web/index_1.html">http://wwwsoc.nii.ac.jp/jsndi/english_pages_web/index_1.html</a>                   |
| 10th European Conference on NDT                                                                                                  | June 7-11, 2010<br>Moscow, Russia                                                             | Contact : European Federation for Non-Destructive Testing<br>E-mail : <a href="mailto:info@ecndt2010.ru">info@ecndt2010.ru</a> ;<br>Web : <a href="http://www.ecndt2010.ru/">http://www.ecndt2010.ru/</a>                                                                                               |
