Invitation

Dear friends and colleagues of the world NDT community,

It is a great honor for us to invite you to attend the 20th World Conference on Non-Destructive Testing (20th WCNDT) hosted by the Korean Society for Nondestructive Testing (KSNT) to be held in Songdo Convensia, Incheon, Korea, May 31~June 4, 2021.

The Organizing Committee will provide a dynamic technical program which will be highly informative for every participant. The conference will be the place to interchange and integrate professional colleagues from all around the world with interest in NDT field.

We are so confident that the 20th WCNDT will turn to be one of the most successful platforms for networking people and inspiring new technical ideas with support from all of you.

Incheon is a city where trade and transportation are developed because international airport is located. Within an hour's distance from Seoul, visitors will be given the opportunity to experience a mix of diverse cultures and world-class urban life.

We look forward to meeting you all in Incheon, Korea in May 2021.
"Welcome! 환영합니다(Hwan-Young-Hab-Ni-Dah)!"

Sincerely yours,

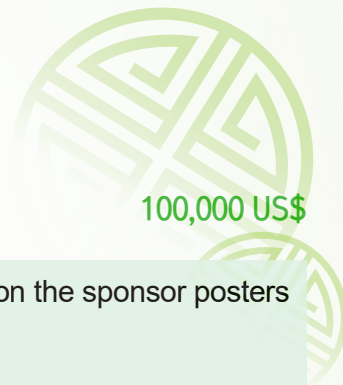

| Organizing Committee of 20th WCNDT 2020

Songdo Convensia

The 20th World Conference on Non-Destructive Testing (20th WCNDT) will be held at the Songdo Convensia, one of the largest convention and exhibition centers in Korea. Songdo Convensia has all the necessary elements of a world-class convention destination, including easy accessibility, adequate tourism resources, high-quality hotels and restaurants and the existence of an active support network consisting of both public and private organizations.

Our Big Supporters,

As a sponsor of the 20th WCNDT, we will make you remain in memory of all participants, exhibitors and guests.

We could guarantee a professional assistance in the implementation of sponsorship concepts and your advertising strategy.

We would be pleased if we can show you the different, effective ways of sponsoring at 20th WCNDT by email.

Please do not hesitate to contact us.
